NurumiIME.NurumiIME.onWindowHidden

```
graph LR; A[com.fouram.nurumikeyboard.NurumiIME.onWindowHidden] --> B[com.fouram.nurumikeyboard.NurumiIME.MKeyboardView.initialize]
```

A diagram showing a call from the `onWindowHidden` method of `NurumiIME` to the `initialize` method of `MKeyboardView`. The source box is shaded gray, and the target box is white. A blue arrow points from the source to the target.
